

JEWON
SECURITY
Security Metal Detectors

We Provide
The Best

Founded 1985, Jewon Security system has manufactured and supplied for various security solutions and detectors.

Especially, We succeeded in developing metal detector for the first time in Korea. So we've established security system in lots of domestic government and public offices.

Since founded 1985, Jewon Security is designated as official company supplying and maintaining security system in major int'l events like *1988 Seoul Olympic Games, 2000 ASEM Conference, 2002 Worldcup Games and 2002 Asian Games.*

Jewon Security system, for the leading company in Korea security system, will do our best for the world leading company in future. Thank you.
