

Smart Home Wi-Fi PTZ Camera

Features :

- * Free 30-day cloud storage, universal at home and abroad;
- * HD 3.0MP free standard humanoid tracking, special function of watch position;
- * Support wireless WiFi and AP hotspot // 3DB dual antenna transmission signal;
- * Use DC12V1.6A default US standard power supply; (European / British / Australian regulations)
- * TF card supports up to 8G-128G H.265 technology to double storage;
- * Two-way voice intercom, mobile alarm information push, infrared night vision function;
- * Mobile alarm information sensitive push; alarm information WeChat direct push (subsequent upgrade)
- * CMS computer client saves and plays back in real time; ONVIF protocol recorder adds;
- * Standard pickup and speaker sound playback;

Specification

		Snowman SY-PTZ08S
Camera model, parameters	Model	Snowman SY-PTZ08S
	Name	HD 3.0mp 1/2.9" auto tracking wi-fi smart camera
	Chipset	XM535
	Camera pixel	1296P
	Sensor	1/2.9" sensor, color 0.1Lux@F1.2, black and white 0.01Lux@F1.2
	Shutter	1/50 (1/60) seconds to 1/10000 seconds
	Lens	3.6mm-F1.4, horizontal vision 87°, diagonal 104°
	Lens interface	F2.0
	Day/Night	Day:Color ; Night: Black and White
	IR distance	Within 10 meters
Compression format	Video compression	H.265
	H.264 encoding	Main Profile
	Video compression rate	HD, tag, second gear, rate adaptive
Image	Image Resolution	Main stream: 2304*1296; sub-stream: 800*448
	Frame rate	Maximum frame rate: 25 frame rate adjustable
Features	Alarm mode	Siren warning, mobile APP alarm push
	Two-way voice	Support
	Image flip	Support
	ONVIF protocol	Support
	Cloud storage	Support
	Humanoid mobile tracking	Support
	Digital noise reduction	2D/3D digital noise reduction
supporting agreement	Xiongmai proprietary protocol supports the expansion of network protocols such as RTSP/FTP/PPPOE/DHCP/DDNS/NTP/UPnP	
Interface	Wired interface	1x RJ45 10M/100M port
	Storage interface	Micro SD card (up to 8G- 128G)
Wireless parameter	Wireless	IEEE802.11b, 802.11g, 802.11n
	Frequency	2.4 GHz ~ 2.4835 GHz
General	Power	3W MAX
	Product size	84*80*123mm
	Color box size	92*92*157mm
	Working temperature and humidity	-10 ° C -60 ° C, humidity less than 90% [no condensation]
	power supply	DC 5V1.6A
	weight	Net weight: 160g Gross weight:320g (Note: actual product)
