

TZ-206BWP AS

COLUMN SPEAKER

The TZ Series Column Speakers are highly efficient compact speakers that deliver excellent sound performance in medium sized venues such as houses of worship, gymnasiums, auditoriums and more.

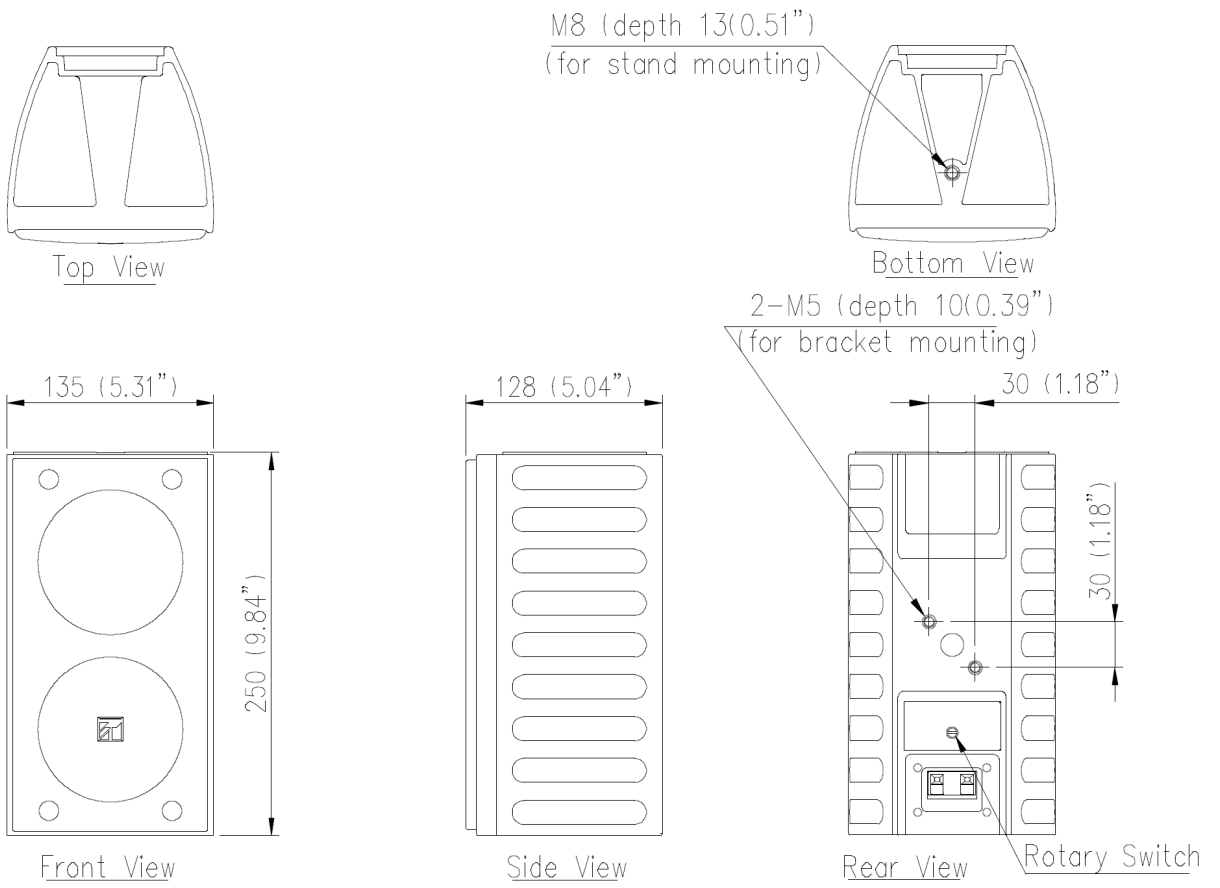

Key features

- Column Speaker is suitably designed for in-door use and/or outdoor use.
- Efficient for use in a spacious room.
- The speaker unit is designed to reproduce sound with good clarity and high input power capacity.
- The plastic column speaker comes with speaker bracket as accessories.
- The speaker bracket offers better installation flexibility.
